1. About your MyVoice 3000

a. Multi-Function Button (MFB)
- Power On / Off
- Pair with mobile phone

b. Answer / End a call

c. Status Indicator

d. USB Charging Socket

d. Volume Control

2. Charging Your Headset

The headset comes with a built-in rechargeable battery. Prior to using the headset for the first time, it is recommended to fully charge the battery. Insert the charger's plug into the headset's USB charging socket and plug the mains charger to an AC wall outlet or plug in the PC/notebook. Use only the supplied charger / USB charging cable to charge the headset.

* Warning : It is recommended not to use the headset while it is connected to the charger.

Headset Status	Status Indicator Light
Charging (OFF MODE)	Solid red
Fully charged (OFF MODE)	Solid blue
Low battery	Flash red with short beep sound!
Charging (STANDBY MODE)	Solid red
Fully charged (STANDBY MODE)	Solid blue

* Warning : It is recommended not to use the headset while it is connected to the charger.

2 hours are required to fully charge the headset.

3. Pairing Your Headset with a Bluetooth Device

1) Ensure the headset is off.
2) To activate the pairing mode, press and hold the headset's MFB for 8 seconds without retaining your finger until the status indicator flashes blue and red alternately.
3) Activate your mobile phone's Bluetooth, search for Bluetooth devices, select "MyVoice 3000" and enter the pass code "0000". When the pairing is completed, the headset's status indicator will turn blue for 2 seconds and return a short beep with voice prompt "Your phone is connected".

4. Basic Operation

Function	Button	Alert Tone/Prompt	Status Indicator
Power on	Press and hold the MFB for 3 seconds	Rise in tone. U:1s - 2.7s Voice prompt "Battery high"	
		U:2s - 3.25s Voice prompt "Battery medium"	Flash blue light for 3 times
		<3.1V Voice prompt "Battery low"	
Power off	Press and hold the MFB for 6 seconds	Voice prompt "Power off"	Flash red light for 2 times
Incoming call	—	Ring tone	Flash blue light for 2 times
Reject incoming call	Press and hold the MFB for 2 seconds	Beep through the earpiece	
Voice Dial*	Press and hold the MFB for 3 seconds		
Redial*	Double click the MFB		

Multipoint allows simultaneous pairing of the headset with 2 mobile phones.
2 mobile phones, to pair it with 2 mobile phones:
1. Pair your headset with the 1st mobile phone at normal and then switch off
2. Repeat the pairing procedure to the 2nd mobile phone.
3. Re-connect to 1st mobile phone with the headset via the phone menu.

5. Smart Battery Check

Power Off Mode: Press the MFB once.
Standby Mode: Press and hold Volume buttons while not on a call.

Voice Prompt	Status Indicator	Talk Time
Battery High	Blue light flashes 3 times	More than 0.75 hours
Battery Medium	Solid blue for 2 seconds	Between 0.75 and 3.75 hours
Battery Low	Flash red light 3 times	Less than 0.75 hour
